

Weaverville, NC (Nov. 18, 2009)-Extreme Pro Stock driver Steven Boone is proud to announce he will be returning to the National Guard ADRL for a full season in 2010.

The Weaverville, NC native ran a part time schedule in 2009. He qualified at each race he attended and also had an impressive No. 1 qualifier at the U.S. Drags II at Virginia Motorsports Park in July 2009.

“I’m looking forward to running the full ADRL tour and I can’t wait to let the clutch out for the 2010 season.” Boone states. “I would also like to thank Allen Competition Engines for the countless hours and hard work that they have provided. They are dedicated to finding even more horsepower for the upcoming 2010 tour. Our team is focused on winning an ADRL Extreme Pro Stock Championship in 2010.”

Boone Motorsports would like to thank the fans, the National Guard ADRL and the Extreme Pro Stock teams for welcoming us to the sport in 2009. We look forward to being a part of the National Guard ADRL for many years to come.
